Features

Test

Start doing a test to see how good your brain is. You can do tests on three of the categories or all of them with a certain difficulty or a mix of both.

Practice

Want to learn about all about the games you'll be playing? Select a minigame from the three categories and the difficulty and see how well you can do on it.

Endless

See how many points you can score by quickly answering the questions right. Don't get three wrong answers or it's game over!

Compete

Play against another player either locally or online to score as much points as possible before time runs out.

Crossover℠

By logging into your Clever ID, you'll be able to compete with other players between multiple mobile devices as well as saving your progress to the cloud.

CLEVER™ SHOWCASE

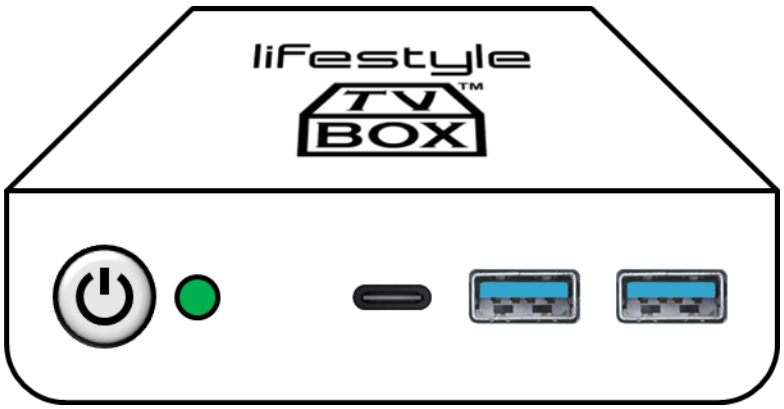
HARDWARE 1/2

Introducing new hardware from the lifestyle™ family.

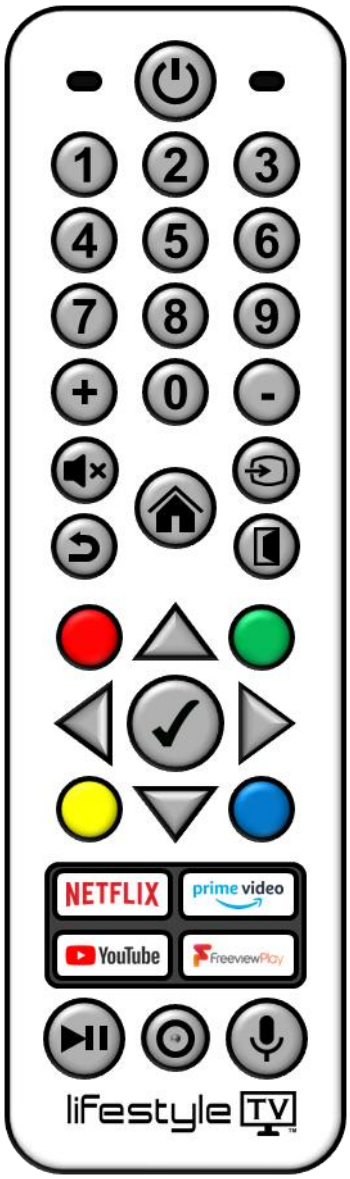
lifestyle TV BOX™



Designed to be connected to your TV. Browse from the Android TV OS so you can either watch or play your favorite pieces of entertainment.

lifestyle TV™

One of the best TVs money can buy. It has 4 microphones on it so you can talk to your TV without using a remote. And of course, you can view and play your pieces of entertainment.



The Lifestyle TV Box and the Lifestyle TV comes with this remote.

It has all sorts of features like a gyro sensor that can be used to put a cursor on the screen so it's easy to navigate through the menus and apps.

It also has a touch screen with customisable button icons from your favorite apps so you can instantly go to it without going through the home menu.

The Lifestyle TV Box and the Lifestyle TV has Lifestyle Gaming built-in so you can play all your games you've purchased on it straight to those devices.

A Lifestyle phone, gamepad, controller, mouse and keyboard required to play. Sold separately.
